Learn-to-Learn and Learn-to-Earn!

The Life Skills to Work - Steps to Freedom (LSW-S2F) process provides students with the Learn-to-Learn and Cognitive Behavior skill-sets needed for successful transition from prison and jail back to the community. The course work emphasizes practical skills development, assessment tools and application for successful education, training, employment and family reintegration student outcomes. Here's what we offer:

- **GOT2WORK:** 2nd Chance Employer Web.Link Database Services
- **Soft Skill Assessments:** CASAS and AccuVision (assessment tools to evaluate adult customer-service and personal quality skill-sets)
- **College Options – Pathways 2 Careers:** Consultation and planning
- **4WORK:** Transitions services
- **GED:** assessment, preparation and testing-to-completion
