

RAINIER VENEER

Openings available for full-time **Millwrights** in Spanaway, WA!

Job Summary:

- Align machines and equipment, using hoists, jacks, hand tools, micrometers, and plumb bobs; assemble machines, and bolt, weld, or otherwise fasten them to foundation or other structures, using hand tools and power tools
- Conduct preventative maintenance and repair, and lubricate machines and equipment; connect power unit to machines or steam piping to equipment, and test unit to evaluate its mechanical operation
- Insert shims, adjust tension on nuts and bolts, or position parts, using hand tools and measuring instruments, to set specified clearances between moving and stationary parts
- Move machinery and equipment, using hoists, dollies, rollers and trucks; operate engine lathe to grind, file, and turn machine parts to dimensional specifications
- Position steel beams to support bedplates of machines and equipment, using blueprints and schematic drawings, to determine work procedures; troubleshoot equipment, electrical components, hydraulics, and so on

Job Requirements:

- Must be proficient in arc and wire machine welding, acetylene and plasma torch cutting; solid knowledge of hydraulic and mechanical systems
- Basic knowledge of electrical; own basic tools preferred

Job Details:

- Swing Shift: 4:00 p.m. until 2:30 a.m.; M-F, 40+ hours per/week (extra 10 hours per week of over time)
- Wage: \$21.00/hr DOE/DOQ + excellent benefits
