

Go SEA! Mobility Fair

Overview

As part of SDOT's new Transportation Equity Program, we're working with strategic partners to expand opportunities for income eligible community members to learn about and enroll in affordable transportation options.

Through our Go SEA! Mobility Fairs, we'll bring fun and informative affordable transportation resources, demonstrations and enrollment opportunities to local community members in partnership with local community-based organizations and transportation service providers and advocacy groups.

Upcoming Event Details

Join SDOT and the Seattle Housing Authority for an event that's equal parts fun and informative. At the Go SEA! Mobility Fair we'll show you how to get around the city easily and affordably.
