

# REENTRY CONNECT

**Part I – Building the Community Partnership**

**July 18, 2018**

**1:00 pm to 3:00 pm**

**New Life Church**

**6830 Highland Drive**

**Everett, WA 98203**

## **Snohomish County Community Partnership for Transition Solutions**

We invite Snohomish County leaders, advocates, agencies, and community partners to the table to discuss and address the transitional needs of individuals and families affected by incarceration. Listen and learn from individuals in our community who have experienced successes and struggles throughout their reentry journey. As a community, we can affect change and reduce the rate of recidivism by bridging the gaps.

**Reentry Connect - Part 1 Building the Community Partnership** is a precursor event to **Reentry Connect - Part 2 Bridging the Reentry Community** which will be designed as a resource event linking this vulnerable population with the vital resources available in Snohomish County.
